

REMARKS

Claims 1-16 are now pending in the patent application. Original claims 16 and 17 were misnumbered, as there was no original claim 15. In this preliminary amendment, original claims 16 and 17 were amended to be correctly numbered as claims 15 and 16 respectively. A minor typographical error in claim 13 was also corrected.

Respectfully submitted,

Dated: January 13, 2004
